TRP HUNTING

ABOUT US

TRP Hunting has started its activities at the beginning of 1996 with marketing all type of shotguns and its accessories in Turkey Market.

TRP Hunting has gained a lot of experience about Hunting sector over 15 years.

TRP Hunting team have observed every single detail on shotguns from different brands.

By 2015, TRP Hunting carefully tracked the diversity in the market and developments in other similar areas, and started to production of semi-automatic, pump, magazine and shotguns in the aim to close the gap the quality on shotguns.

TRP Hunting placed its high quality products in the market.

TRP hunting has set itself the duty of increasing the quality in the industry
